Additional Features

- Use 3 different tip rates (percentages) for the 3 different qualities of service. For example, you can leave:
  - a 20% tip for Excellent service,
  - a 15% tip for Average service, and
  - a 5% tip for Poor service (or maybe 0% (no) tip?).

- Include a comment based on the level of service. For example:
  - If the service was Excellent: "One of the best meals ever! I will recommend this place to everyone I know!"
  - If the service was Average: "Everything was OK."
  - If the service was Poor: "Awful! The worst! I can't wait to give negative reviews on Yelp!"
